

**MARCUS KESLIN**

Electrical Team

**Summary:** Marcus Keslin has been project manager for the design of electrical systems for more than 900 projects. His experience includes projects involving communication facilities, laboratories, generator facilities, complex electrical distribution systems, complex illumination, and specialized electrical systems. Marcus monitors quality control of construction documents to meet electric codes, criteria, and standards. Marcus is the administrator of our computer network. Areas of expertise include emergency power, fire alarm, communications, illumination, building power, electrical distribution, electrical grounding, code compliance, lightning protection, and video surveillance.

**Selected Project Experience:**

El Paso School of Medicine, Medical Education Building, Texas Tech University Health Sciences Center, El Paso, TX

North American Wind Research & Training Center, Mesalands Community College, Tatum, NM

Experimental Sciences Research Lab, Texas Tech University, Lubbock, TX

Animal and Food Sciences Building, Texas Tech University, Lubbock, TX

Engineering & Materials Research Center, Texas Tech University, Lubbock, TX

Clinic Tower, Research Center, Texas Tech University, Health Sciences Center, Lubbock, TX

Chiller Replacement, Regional Academic Health Center, Texas Tech University, Odessa, TX

Health, Exercise, and Sports Science (HESS) Relocation to Printech Building – Phases I, II, & III, Texas Tech University, Lubbock, TX

Elevator Addition, New Mexico State University – Carlsbad Branch, Carlsbad, NM

International Pain Center, Cardio Addition-Finishout, Texas Tech University, Health Sciences Center, Lubbock, TX

Special Services Kitchen Lab, Eastern New Mexico University – Roswell, Roswell, NM

BSL-3 Laboratory, Lubbock Health Department, Lubbock, TX

BSL-3 Relocation, Institute of Environmental & Human Health, Texas Tech University, Lubbock, TX

College of Engineering Livermore Lab Addition, Texas Tech University, Lubbock, TX

High Performance Computing Center, Texas Tech University, Lubbock, TX

Renovation of Heart Care Center Physicians' Medical Pavilion, Texas Tech University, Health Sciences Center, Lubbock, TX

Memorial Hospital 2013 Bond Facility Improvements, Seminole, TX

**Education:** BSEET, Texas Tech University, 1983, EIT, Texas #18399

**Professional Experience:** 35 Years    Time with Firm: 34 Years

**Registration and Professional Affiliations:**

Licensed Fire Alarm Installation Superintendent, Texas No. FAL 1246 84102

NFPA Member #2444697

IES Member #708218
